

RTHK Recruitment Talk on 29 Jan

RTHK will soon be recruiting summer interns this year. The summer internship placement will cover Chinese News and Current Affairs, Multimedia News, English News and Current Affairs, Radio and Corporate Programming, TV Programming, and Production Services. These internship opportunities are open to full-time post-secondary students pursuing a Bachelor's Degree / accredited Higher Diploma / accredited Associate Degree.

To provide students with a better understanding of the duties and specific knowledge and skills required, RTHK has arranged seminars with Q&A sessions at HKU on 29 January for students to participate. Interested students are welcome to join us and learn more.

Details of the application process will be announced on the RTHK website by early February (<https://app3.rthk.hk/recruit/index.html>). Application forms can also be downloaded from the website and completed forms should be submitted by mail or in person to the designated address before the deadline.

The details of the Recruitment Talk as follows:

Date: 29 January 2024

Time: 3:45-4:45pm

Venue: CYPP4, LG1, Chong Yuet Ming Physics Building

@香港電台第2台

浸大傳理 Maggie:
參與了大大小小的活動，包括 DSE 放榜當天與港台 DJ 一起外出訪問學生，《展翅青見超新星》做禮儀小姐，亦有機會開味做主持，透過大氣電波與聽眾溝通，擴闊了我的視野和增長了我的見識。

APA 電影電視 彭灝殷：

在 summer intern 期間可以更加了解業界的運作模式。在學校裡可能只會教授剪接技巧，但在這裡可以看到 editor 如何與導演、監製溝通，令我日後做 project (甚至出來工作) 可以更有效地和其他人合作。最重要的是 RTHK 的同事都很友善，在這裡做 summer intern 好開心好有滿足感!

@ 剪接組

Janice Yuen: (Social and Political Sciences, University of Edinburgh)

I had a lot of fun during the internship as there were a lot of hands-on opportunities. The most memorable being attending press releases, conducting interviews and reporting. The multimedia characteristic of RTHK also meant expanding my skillset to consider news in both audio and visual forms. Though the tasks were often done alone, everyone was really supportive and provided guidance when needed.

@ English News and Current Affairs

@ 資訊及綜藝組

浸大電影與電視 鄭穎琳：
雖然只在港台做了短短兩個月，但獲益良多。同事願意教導，還給機會我落手參與前期製作以及錄影。另外還參與不同大型電視節目錄製，加深對電視行業的了解。

Anson To:

(Engineering, Imperial College London)

It involved real-world projects which made it a fantastic hands-on learning experience. The mentors were genuinely amazing!

@ Engineering

Max Chan : (Media and Communication, City U)

At RTHK, my internship enriched my understanding of media operations, honed my broadcasting skills, and solidified my commitment to professional excellence.
